A HEALING JOURNEY WITH PRICELESS REFLECTIONS

A Weekend Retreat with Dr. Daniel Price • Friday August 22 - Sunday August 24, 2008

Hidden in your thoughts about others are the deepest truths about yourself!!

Who are you frustrated with?

Who are you hurt by?

Who are you angry with?

Who do you admire?

Within these thoughts are the secrets to your freedom
~ a way to find harmony with your self and others.
Connect with who you truly are!

Spend a weekend with Dr. Daniel Price as we examine these things and more! We will learn his method of ***Priceless Reflection*** – a valuable tool for life.
